

GRANDVIEW HOSPITAL  
SOUTHVIEW HOSPITAL

# THE HOPE FUND

IS  
*caring in action*

## HOPE FUND

The HOPE Fund is dedicated to the principle that when a fellow employee is in need, we provide help. At Grandview and Southview we believe in assisting employees who are experiencing a temporary financial emergency. The HOPE fund provides financial assistance and interest free loans that are repaid through payroll deductions.

## EMPLOYEE ASSISTANCE PROGRAM

The Employee Assistance Program offers employees free, confidential assistance in dealing with personal or workplace concerns. Employees may obtain short-term confidential support and referral to community counseling resources as appropriate. The Employee Assistance Program administers the HOPE Fund.

*To apply for assistance please contact the  
Employee Assistance Program Coordinator  
at 723-4224.*

## HOW CAN I CONTRIBUTE TO THE HOPE FUND?

The HOPE Fund campaign is held each March, although contributions are accepted anytime throughout the year. Pledge cards are available in Human Resources and the Grandview Foundation office.

There are two ways to give:

- Make a one-time contribution by cash, check or credit card.
- Pledge your gift by payroll deduction

Contact the Grandview Foundation office if you wish to contribute or have any questions regarding the HOPE Fund.
